

YMCA SUMMER PROGRAM CODE OF CONDUCT

PARENTS PLEASE READ, SIGN, & RETURN TO YOUR SITE DIRECTOR IMMEDIATELY.

It is the goal of the YMCA Summer Program to provide a healthy, safe, and secure environment for participants. The YMCA teaches the core values of caring, honesty, respect, and responsibility. Children who attend the program are expected to follow the behavior guidelines and to interact appropriately in a group setting.

Behavior Guidelines

- People are **responsible** for their actions.
- We **respect** each other and the environment.
- **Honesty** will be the basis for all relationships and interactions.
- We will **care** for ourselves and those around us.

When a child does not follow the behavior guidelines, we will take the following steps:

1. Staff will redirect the child to more appropriate behavior.
2. The child will be reminded of the behavior guidelines and YMCA Summer Program rules, and a discussion will take place.
3. If the behavior continues, a parent will be notified of the problem.
4. The staff will document the situation. This written documentation will include what the behavior problem is, what provoked the problem, and the corrective action taken.
5. Staff will schedule a conference with the parent so they can determine the appropriate action to take.
6. Staff will schedule a progress check or a follow-up conference.
7. If the problem still persists, staff will schedule a conference that includes the parent, child, staff, and program director. The program director will have all documentation and the notes from the previous conferences for review. If subsequent conferences have to be scheduled, a counselor may also be present.
8. If a child's behavior at any time threatens the immediate safety of that child, other children, or staff, the parent may be notified and expected to pick up the child immediately.
9. If the problem persists and the child continues to disrupt the YMCA summer program, the YMCA reserves the right to suspend the child from the program. Expulsion from the program will be considered in extreme situations.

The following behaviors are not acceptable and may result in the immediate suspension of a child for the remainder of the current day and the next day:

- Endangering the health and safety of children and/or staff, members, and volunteers
- Stealing or damaging YMCA or personal property
- Leaving the YMCA summer program without permission
- Continuing to disrupt the program
- Refusing to follow the behavior guidelines or YMCA summer program rules
- Using profanity, vulgarity, or obscenity frequently
- Acting in a lewd manner

If any of these behaviors continue, YMCA staff may suspend the child a second time before expulsion. Immediate expulsion may occur if a child is in possession of and/or using tobacco, alcohol, illegal drugs, firecrackers, firearms, or explosives.

PARENT SIGNATURE REQUIRED:

I have reviewed with my child the YMCA Summer Program Code of Conduct. I understand and agree to all of the terms presented in the Parent Manual. I also, understand that it is my responsibility as a parent to monitor the actions of the staff and will bring any behavior that is inconsistent with the staff code of conduct to the attention of someone in authority at the YMCA.

CODE OF CONDUCT:

Attached is a copy of the YMCA Code of Conduct. The staff will encourage and assist all children in following the YMCA Goodtimes Code of Conduct. Parent involvement in the program is very important to your child and staff. You are encouraged to participate in any of the activities with your child. Your cooperation with all policies and procedures is essential. Take every opportunity to speak with the YMCA staff concerning your child and the program. It is vital that you inform us of any changes in your child's life that might affect his/her behavior. This will help our YMCA staff better provide for your child's needs. Parents whose children cause physical or emotional harm to themselves or others, or exhibit ongoing disruptive behavior, will be contacted for a staff/parent conference. Parents may be requested to pick up their child for the day. If a child's behavior does not improve, the child may be released from the program at the discretion of the Executive Director or a Program Director.

STEPS THAT WILL BE TAKEN TO DEAL WITH DISCIPLINARY PROBLEMS:

1. Counselor will speak to the child about the problem.
 2. Time Out – This is when the child is separated from his/her group.
 3. Site Director will speak to the child and document the problem.
 4. Site Director will speak to the parent and notify the Goodtimes' office about the problem.
 5. Site Director will document the problem, call the Goodtimes' office, and then phone the parent and ask for reasonable suggestions to solve the problem with their child.
 6. If a child reaches step 5 three times in one week, the Site Director will notify the YMCA office. We will then call the parents and set up a conference.
- The YMCA realizes that there are children who need special care. Our staff will work with you to try to meet these needs. The staff ratio is 1 counselor to every 12-15 children, with a Site Director and an Assistant Site Director at every site. In order for your child to grow, meet new friends and learn new experiences, there must be guidelines. The YMCA Goodtimes Program's rules are for your child's safety and enjoyment.

SIGNING YOUR CHILD IN & OUT:

You must sign the roll sheet when picking up your child. The staff uses these roll sheets to account for each child every day. Your child will only be released to persons listed on the registration form. Notify the Site Director ***in writing*** if someone, other than those on the registration form, will be picking up your child. The YMCA staff will ID and question unfamiliar persons. Please check for new information and upcoming events each day.
